

CLUB STATEMENT – TAYLOR HAWKS HOME GAMES

Issued: 13th April, 2022

To our Corporate Partners, Season Members, Fans and Friends of the Program,

What **GREAT** news today with the government officially announcing a shift to the **ORANGE** light level. This information I'm sure is well received by everyone as restrictions are lifted across many aspects of society. For our team, it means playing the game we love **in front of crowds!!!**

With this in mind, today's update supersedes our previous communications and we are full steam ahead as we prepare for our first home game scheduled for **Sunday May 1st v Franklin Bulls.**
(click [HERE](#) for full game schedule).

We also would like to promote our **Season Memberships** and **Official Team Merchandise**. Please find links to our online ticketing and apparel team shop

On behalf of the 2022 team we're excited to be starting our season in only a few weeks, in front of you. The best fans in the league.

Ngā mihi | Kind Regards,

Keith Price
